01. Introduction

This Financial Services Guide (“FSG”) has been prepared to inform you of the services offered by Cashwerkz Technologies Pty Ltd (“Cashwerkz, us, we, our”) and to assist you in deciding whether to use any of the services offered by Cashwerkz.

It sets out how Cashwerkz operates, how Cashwerkz, its employees, and any related entities are paid, how Cashwerkz deals with client’s complaints, as well as any interests, associations or relationships that could influence Cashwerkz in providing services to you.

02. Cashwerkz and our services

Cashwerkz is a broking platform for cash products, delivered as an online service for individuals, self-directed clients, company’s and advisers (financing planners and agents).

Cashwerkz is designed to lower the overhead, effort and costs inherent in the end-to-end process of comparing, selecting and investing in cash products against a Cashwerkz User’s product preferences. Cashwerkz users can deal in these products without leaving the Cashwerkz website

03. We operate under an AFSL

Cashwerkz is the holder of Australian Financial Services Licence 459645. Under this licence we are authorised to provide general financial product advice and deal in relation to:

- Deposit Products.

04. How we get paid

Issuers of cash products (e.g. Term Deposits) pay Cashwerkz when term deposits are placed with them, so you pay no fee.

For Term Deposits we may receive a placement fee from the Issuer, which may vary between Issuers, which is normally 0.10%.

The rate you are quoted on the Cashwerkz website is the rate you receive for your investment.

e.g. For a \$100,000 Term Deposit invested for a 1 year term, and the Issuer pays .10%, we will be paid \$100.

i.e. $\$100,000 \times 0.10\% \text{ p.a.} \times 1 \text{ year} = \100 .

05. How we pay our employees

We pay our employees a salary and possible bonuses for the performance of their duties in line with their key performance indicators. They are employees under employment contract terms.

Staff do not receive incentives from the institutions nor by any other means other than through the performance of their jobs and at the discretion of the Board of Directors.

06. We give general advice only

Cashwerkz is licensed by ASIC to provide dealing and execution services and general financial product advice for financial products. Cashwerkz owns and operates the website cashwerkz.com.au an internet cloud application that specialises in cash products.

Any financial advice provided by Cashwerkz will be general product advice only, strictly in accordance with our AFSL, and will not take a client’s personal circumstances into consideration or a client’s individual financial circumstances, objectives or needs.

07. On whose behalf do we act?

When we provide financial services, we are acting on our own behalf. We do not act on your behalf. In some cases we may act as agent for a product issuer for the limited purposes of receiving Applications on its behalf and obtaining information required under Anti-money laundering/Counter-Terrorism Financing laws.

08. Compliance with the Anti-Money Laundering/Counter-Terrorism Financing Act 2006 (Cth)

Cashwerkz has an obligation under the AML/CTF Act to verify your identity before we can provide you with any financial services. Up until the point we have met these obligations, clients will only be able to view information on the Cashwerkz site for comparison use only but will not have the ability to initiate or complete a transaction.

Cashwerkz has a client registration process, which makes it easy to provide information required to meet KYC/AML identity requirements.
